ORDER APPROVING
RATE INCREASE

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Reliable Services Group, Inc. DBA Two Men and a Truck, 2410 Air Park Road, North Charleston, SC 29406 to amend its rates on file with the Commission. The amendments would result in a rate increase.

The Office of Regulatory Staff (ORS) has investigated the request, and, as a result, has no objection to this matter proceeding before the Commission.

ORS notes that the Company was granted a Class E Certificate on January 29, 2002, to transport household goods. If the proposed increase is granted by the Commission, it will provide additional revenues of \$106,587 and change the Company's operating ratio from 97.91% to 91.93%. Since there is no objection, we grant the request and grant the amendments to the Company's rates, and accordingly approve the rate increase as just and reasonable.
